

Welcome to the largest bass fishing membership organization in the world and to the GA Bass Nation High School Trail. With your membership to Bassmaster High School Nation, you have opened up many opportunities for your school. You are now eligible to compete in hundreds of different sanctioned Bassmaster High School Tournaments as well as the Bassmaster High School Opens. All of these tournaments lead to the Bassmaster High School National Championship that aired on ESPNU.

Your club's members are also eligible to compete in the Georgia BASS High School Trail with 8 events across the state followed by a state championship. You **must** fish 3 of the open tournaments to be eligible to fish at the state championship. Members may also enjoy conservation projects at area lakes and parks but members are not required to do so at this time.

Full information about the state high school trail can be found at gabassnationhs.com or follow us on Facebook at Georgia BASS Nation High School Fishing for immediate updates. We are also on Instagram at [gabass.highschool_fishing](https://www.instagram.com/gabass.highschool_fishing).

I am so excited that you have joined Bassmaster High School Fishing and that you will be fishing the GA Trail. We hope that your angler's experience with this program leaves them with lasting memories and friendship from all over the state.

Please know that I am here to answer any questions you have. I can't wait to meet you all!

Michelle L. Volk
